Stamp Collection - An Educative Hobby

Collection of stamp & its systematic study is Philately. It is most interesting hobby and large number of people pursue this hobby (a survey shows six out of every ten educated people had interest in collecting Stamps & Philately.) because it is **Colorful, Exciting, Absorbing, Knowledgeable, Most Creative** tool of learning & **Great Investment**. That is why there is movement "KNOWLEDGE THROUGH STAMPS" in USA & European countries. Learning is enhanced if it is imparted visually and with interesting & exciting colorful combination. Stamps & Philately fulfill these conditions.
